UNIFIED CARRIER REGISTRATION PROGRAM

IMPORTANT NOTICE FOR ALL FREIGHT FORWARDERS, BROKERS AND LEASING COMPANIES

If you offer service as a Freight Forwarder, Broker or Leasing Company and you make arrangements for the transportation of cargo and goods in interstate or international commerce, there is a new federal law that applies to your business.

The Unified Carrier Registration (UCR) Program requires individuals and companies that provide freight forwarding, brokering or leasing services in interstate or international commerce to register their business with Tennessee and pay an annual fee of \$39.00.

You must register immediately in order to operate in interstate commerce. The UCR Board has requested that enforcement not begin before November 15, 2007.

Included in this mailing is a UCR application form and instruction sheet. To avoid delays it is highly recommended that you register on-line. Go to www.ucr.in.gov and follow the step-by-step instructions. Payments may be made on-line by using MasterCard, Visa or e-Check.

Payments by mail must be made by certified check, money order, personal or company check. Make checks payable to the "Tennessee Department of Revenue." Please place your FF, MC or USDOT # on the front of your check. Mail remittance along with the registration form to:
